0. Contents

1	Introduction	3
1.1	Objectives	3
1.2	Thin Lens Equation	3
1.2.1	Limits at Infinity	4
1.2.2	Using Magnification	4
1.3	Lensmaker Equation	4
2	Experimental setup	6
2.1	Apparatus	6
2.2	Procedure	6
3	Observations	9
3.1	Distant Object	9
3.2	Mirror Method	9
3.3	Thin Lens Equation	10
3.4	Magnification and Thin Lens: Vertex Pointers	10
3.5	Lensmaker Equation	11
4	Data analysis	12
4.1	Distant Object	12
4.2	Mirror Method	12
4.3	Thin Lens (Imprecise)	12
4.4	Thin Lens and Magnification	12
4.5	Lensmaker	12
5	Results	13
6	Discussion	14

4. Data analysis

4.1 Distant Object

4.2 Mirror Method

4.3 Thin Lens (Imprecise)

4.4 Thin Lens and Magnification

4.5 Lensmaker

5. Results

6. Discussion
